
**FOR UNTO US A CHILD IS BORN!
UNTO US A SON IS GIVEN!**

2008

Dear Friends in Christ:

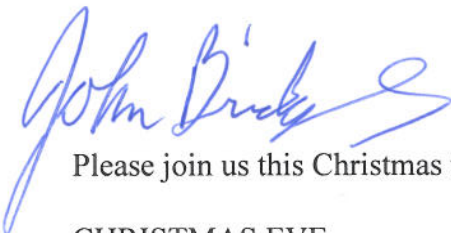

It is our hope and prayer that this letter finds you and your family in good health. In addition we pray that your homes may be filled with the peace of the Christ Child. We know that this is a hectic time which is packed with many preoccupations. We also know that all of us need time to reflect and marvel at the presence of God in our history. The Christmas story is not just some event that happened two thousand years ago. The God we worship is still active in the lives of people and offers hope and purpose to our existence. We must take time to contemplate and celebrate this reality.

We are constantly bombarded during the Christmas season with images and ideas that conflict with the true message of Christmas. Commercialism, overindulgence, greed or simple generosity, are not at the heart of Christmas; God's unrelenting love and action are. The Birth of God's Son, as a free gift of Love, brings Hope and Joy to our human condition. As His Church we encourage all of you to take time to pray for the world, support the less fortunate, and strengthen your relationships; doing this because we have experienced God's Love in Christ. Jesus is the Reason for this Season. Let us all proclaim this by our actions and our words.

From our families to you and yours, we wish you all the Peace and Joy of Christmas.
